Following my dream has led me to design unique and inspirational HALELUYA Jewish Soul Art.

My art links us to our Am Yisrael roots, nurtures our deep connection to Jewish core values, and adds meaning to our lives.

Ana B'Choach אָנָא בְּכוּחַ

Ana B'Choach is an ancient prayer, also known as the 42-letter Name of G-d, the Ana B'Koach is a unique formula built of 42 letters written in seven sentences of six words each. Each of the seven sentences correspond to the seven days of the week, seven specific angels, and to a particular heavenly body. The letters that make up Ana B'Koach are encoded within the first 42 letters of the book of Genesis.

The kabbalists explain that this combination of letters takes us back to the time of Creation, and each time we meditate on a particular sequence, we return to the original uncorrupted energy that built the world. By performing the Ana b'Koach meditation, we enrich our lives with unadulterated spiritual Light and positive energy.

O Lord, with the greatness of thy powerful right hand,
we pray to thee to loosen those that are bound in captivity.
Accept the cry of thy people; exalt and purify us,
O thou who art tremendous!
O most powerful God! We beseech thee to preserve,
as the apple of thine eye, those that seek thee.
Bless, and purify them, and continually requite them
according to thy merciful righteousness.
Thou, who are most mighty and holy!
Guide thy congregation with thy abundant goodness.
Thou, who art unique, and most excellent, regard thy people,
who continually make mention of thy holiness.
Accept our prayers, and hearken to our cries.
O Thou! To whom all secrets are known.
